This is an invitation to you to join with us in reclaiming wimmin's traditions in a full weekend of workshops and ritual.

**Wemoon 2010, May 28, 29 & 30**

## What is Wemoon?

Wemoon was started by Hawthorne many years ago out of a desire to help women reconnect with their inner Goddess in a safe and nurturing environment. Hawthorne revived Wemoon in 2009 as a small but intimate gathering. After an overwhelming and positive response Hawthorne has decided to run Wemoon again in 2010.

Wemoon 2010 is a full weekend of empowering women's workshops and ritual. You will Learn to spin on a drop spindle (both wool and spindle will be provided) and ritual with the Morea where you will experience how the Web of Life is woven.

## Rituals

The main Wemoon ritual is an evening ritual preceded by workshops that teach the skills you will need to face the Morea.

Each Wemoon event is a different experience, but special rites have always been made available upon request. Special rites available are:

### First Flow

Mothers (or female guardian) bring their daughters, 14 and older, upon menstruation to undergo a rite of passage into womanhood.

### Mother Blessing

A blessing rite bestowed upon women who are expecting a child.

### Crone Rite

### Re-consecration of the Womb
