Description: The workshops are designed to assist you in connecting and communicating with your spirit guides and animal helpers, Introducing you to Grounding techniques and Protection Each week we have Psychic exercise and practice such as Flower Readings, Psychometry and Photo Readings. Scrying and Channeling.

The aim of these workshops are to assist you in developing your natural abilities.

This will only enhance your connection with the spirit realms&hellip;

Each week I take you a guided meditation, as these meditations are channelled they will differ each week. at the close of each workshop we also offer Spiritual Healing.

As these workshops are limited to 7 it is important to confirm your attendance each week.
