***Will Mayor Wilson now settle with Witch Olivia?***

Olivia Watts is delighted that the Mayor of Casey, Cr Rob Wilson, chose to settle out of court with Pagan support group the Pagan Awareness Network Inc.

Ms Watts said: 'His acknowledgment that Witchcraft and other Pagan religions are a recognised denomination is a huge step forward.'

She added: 'Now that the issue of vilification against the broader Pagan community has been dealt with, I will be interested to see if he now chooses to adopt a similar approach with the vilifying statements he directed at me personally.'

The Pagan Awareness Network Inc is committed to supporting Olivia Watts in achieving her goals of an apology and financial compensation from Cr Wilson.

PAN Inc Victorian Coordinator Gavin Andrew said: 'Olivia is a member of our association and we're behind her all the way. We'll be working to ensure she gets an equitable outcome.'
